Dick's Brewing Company & NW Sausage & Deli recognizes the importance of community and is committed to supporting local organizations by donating our time and products to a variety of worthy causes and non-profit organizations.

We receive a large number of requests and unfortunately, as much as we would like to, we cannot support every event. Please note, due to company policy, we only consider non-profit 501(c)3 and/or 501(c)6.

Donation requests are accepted for in-kind donations only. Dick's Brewing Company & NW Sausage & Deli do not offer monetary donations, financial support or sponsorships. Other than a select few we support yearly, we pass on these requests due to the large volume and to be fair to all.

In order to apply for a donation, please complete the attached application. Submit your request through email, mail or in person at Dick's Brewing Company or NW Sausage & Deli depending on the company from which you are requesting an item. Please include proof of your non-profit status by supplying us with your IRS letter designating your status. The State of Washington requires us to collect a copy of your Special Occasions License to serve, auction or raffle donated beer.

Donation applications are reviewed once per month. We encourage organizations to submit requests at least 60 days in advance to ensure adequate time for committee review and processing prior to your event. We are unable to guarantee review of requests that are received less than 30 days prior to an event.

We will contact you to arrange pick-up of donated item(s) if your organization has been selected. We ask that you use our logo in any promotional materials used for the event (this includes programs, flyers, posters, social media, etc.)

We wish you success with your fundraising efforts.

Cheers!
