HISTORY OF DICK'S BREWING COMPANY

Dick Young started brewing as a home brewer in 1984 and sold homebrew supplies at his business, Northwest Sausage & Deli. When he wasn't busy handcrafting smoked summer sausage and pepperoni at the deli he was handcrafting small batches of beer. Dick built from scratch a three barrel brew house (which we still use today as our pilot system) to start designing and creating recipes in the back of the deli. The beer was so popular among Dick's friends that he soon found himself exceeding the annual production limit for homebrewers. In 1992 Dick decided to make his hobby a business and started the application and permit process to create Dick's Brewing Company. After two years and many batches brewed, and many beers drank, Dick's Brewing Company became a reality.

Dick quickly realized he would need more space for his growing passion and built a 2,100 square foot building adjacent to the deli. He started with the three barrel system and would brew once a

week yielding 6 kegs. Initially he focused solely on three beers: Pale, Porter and Dick Danger. Dick Danger Ale, is still our best selling beer to date. When asked why he started the brewery Dick always answered, and I quote, "I started brewing beer for one reason, I was thirsty". And we are all so grateful he was.

The brewery was located behind the Deli on Prather Road from 1995 to 2008. Over those 13 years the brewery grew from 200 bbls in sales in one state to over 3000 bbls in 6 states. New uni tanks and bright tanks were added along with a brand new bottling line to keep up with demand, and Dicks creative passion for brewing also grew, starting with three recipes in 1994 to over twenty different styles in 2009. Life was good and Dick's Beers were flying out the door.

In 2006 Dick set his sights even higher, and he started construction on a new brewing facility. After two long years of work we moved into the brand new 18000 square foot brewing facility on Galvin Road in Centralia.

Dick wore many hats and he was so many things to so many people. In 2009 we lost a brewmaster, a friend, a dad, a partner, a son, a teacher, a rebel, an electrician, a plumber, a carpenter, a craftsman, a joker, a complete and unique leader. He will always be remembered and by doing so his vision and his dream will forever live on in every bottle or keg that gets shipped from the warehouse to someone that is thirsty.

Today, the Dick's Brew Crew is led by Dick's daughter, Julie Young. With the new brewing facility producing 23 different styles and with plenty of room for growth, we feel that the sky is the limit when it comes to Dick's legacy. All of us here at Dick's are proud to continue the dream that our founder started, and we are proud to have you all along for the ride.

From all of us at Dick's Brewing we say cheers and thank you!

DICK DANGER ALE

English Style Dark Ale - Core Product
IBU: 45 ABV: 5.2%

The Original C.D.A., Dick Danger Ale is a non-intrusive dark ale which defies style guidelines. A large percentage of black malt gives this distinctive ale its dark brown/black color and slightly roasted flavor. The Magnum hops provide a backbone of bitterness and large late additions of Mt. Hood hops lend good flavor and aroma in the finish. Dick Danger Ale is Dick's Brewing flagship beer and is the first beer created by late Founder, Dick Young.

Available in:

12 oz, 22 oz, 1/6 bbl, 1/2 bbl

INDIA PALE ALE

NW India Pale Ale - Core Product
IBU: 80 ABV: 6.2%

This crisp, hoppy Northwest IPA features Centennial, Cascade and Columbus hops that impart strong citrus hop flavors and aromas. Our Northwest IPA is balanced nicely with the use of crystal and victory malt. We finished this fine IPA with a heavy dose of dry hopping to lock in the all the intense flavors and aromas. This IPA is sure to satisfy the hop heads of the Northwest, so sit back and enjoy.

Available in:

12 oz, 22 oz, 1/6 bbl, 1/2 bbl

CREAM STOUT

Sweet Stout - Core Product
IBU: 20 ABV: 5.5%

Dick's Cream Stout is black and incredibly creamy with flavors of coffee and dark chocolate. A large portion of highly roasted black unmalted barley gives this beer its opaque black color and deep flavors. Additionally, a generous percentage of unmalted flaked barley gives this beer its unmatched creaminess. We add just enough hops for complexity.

Available in:

12 oz, 22 oz, 1/6 bbl, 1/2 bbl

GOLDEN ALE

Blonde Ale

Core Product

IBU: 17 ABV: 5.2%

Dick's Golden Ale is one of the lightest beers we produce. That doesn't mean it is light in flavor! This traditional British golden ale is brewed with 2-row malted barley and a touch of crystal malt, balanced with a substantial amount of hops. This recipe is one of Dick's originals; a light, refreshing, crisp lawn mowing beer.

Available in:

12 oz, 1/6 bbl, 1/2 bbl

WORKING MAN'S

English Brown Ale

Core Product

IBU: 15 ABV: 5.5%

A combination of two types of sweet caramel malt, lightly roasted biscuit malt, and victory malt lend depth, richness and flavor. We also add highly roasted chocolate malt giving the beer its wonderful reddish-brown color. Magnum hops give the Working Man's Brown Ale a clean and balanced bitterness. Mt. Hood hops are added at the end of the boil for excellent flavor and aroma.

Available in:

12 oz, 1/6 bbl, 1/2 bbl

LAVA ROCK

English Porter

Core Product

IBU: 25 ABV: 6.2%

Dick's Lava Rock Porter is a dark and rich beer with a plethora of deep, malty flavors. Copious amounts of caramel, chocolate and black malts are added to the mash along with enough Magnum hops to balance the malty wort. We then add two additions of Mt. Hood hops for a generous hop flavor and great aroma. The Porter is dark brown, almost black in color, with lots of body and smooth drinkability.

Available in:

12 oz, 22 oz, 1/6 bbl, 1/2 bbl

PALE ALE

English Pale Ale

Core Product

IBU: 20 ABV: 4.8%

Dick's Pale Ale is a mild and pleasantly approachable ale with a touch of residual sweetness. Caramel and chocolate specialty malts are combined with premium northwest 2-row malted barley to create a light, amber colored wort. We add just enough hops for a delicate bitterness, subdued hop flavor and a nice aroma.

Available in:

12 oz, 1/6 bbl, 1/2 bbl

DOUBLE DIAMOND

English Strong Ale

Seasonal Ale

IBU: 65 ABV: 7.5%

Dick's Double Diamond Winter Ale combines Northwest premium 2-row malted barley and ample rich Munich malt. We add a full bag of sweet caramel malt and lots of malted white wheat, with a touch of highly roasted black barley to give complexity to this ale. To give this beer it's backbone we add plenty of Northwest hops in the brew kettle.

If you like your ales with a balanced bitterness and a nice finish try this beer to keep you toasty warm on a cold night.

AVAILABLE FEBRUARY - APRIL

DICK'S IRISH ALE

Irish Ale

Seasonal Ale

IBU: 35 ABV: 5.2%

The Irish Ale is one of our great seasonal ales. What allows this red ale to be so approachable is the Melanoidin Malt which helps create the unique "toasty" flavor. Our use of specialty grains make this beer unique and the complexity of the roasted Munich Malt and rich caramel malt give this beer its depth and richness of flavor! The intricate culmination of malt provides plenty of body and mouth feel to this gorgeous Irish style ale.
